FOR IMMEDIATE RELEASE

Cancer Support Community's Frankly Speaking About Cancer: What Do I Tell The Kids?

Free educational workshop focusing on ways children under 18 understand information about cancer

St. Louis, MO. – (October 4, 2017) **Cancer Support Community of Greater St. Louis (CSC)** along with **David C. Pratt Cancer** will host an educational workshop offered at no charge to people impacted by cancer. Frankly Speaking About Cancer: What Do I Tell The Kids? focuses on building awareness about how to carry out conversations about cancer diagnosis and treatment. **Danielle Hodges**, LMSW, Families Connect Program Manager, from Cancer Support Community will discuss strategies to have cancer-related conversations, tips for answering common questions, ways to help your child, and additional resources.

Date: Tuesday, October 10th
Time: 6:00 PM – 8:00 PM
Location: David C. Pratt Cancer Center, Conference Room
607 S. New Ballas Road
St. Louis, MO 63141

For more details and registration contact **Renata Sledge**, Program Director at Cancer Support Community, **314-238-2000, ext. 224.**

Frankly Speaking About Cancer: Treatments & Side Effects is part of a Frankly Speaking About Cancer series, a collection of cancer-related education programs created by Cancer Support Community. *This program is made possible through an unrestricted educational grant from Amgen.*

Cancer Support Community of Greater St. Louis is a non-profit organization whose mission is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community to enhance their overall well-being. All programs are offered at no charge in a comfortable, home-like environment. Cancer Support Community offers professionally-led support groups, educational workshops, nutrition and exercise programs, and stress management classes to empower and educate individuals affected by cancer.
